

## Discover How Local Service Is Better. Safeguard your home with the latest technology.

Introducing the **Lyric™ Package** from Safe Systems:  
\$99.00 Install, \$44.95/mo.

- 7" touchscreen keypad
- Three door sensors
- Motion detector
- Yard sign & window decals

**Includes professional installation,  
monitoring, repair service, and  
app control**

## Be in complete control of your home security with smart phone/tablet access.

Choose a smart phone enabled alarm system from Safe Systems and you will be able to remotely arm/disarm your whole system with the tap of a finger. Receive real-time alerts to your mobile device in the form of video, text messages, emails, and more. Our service lets you utilize cell phones and other web-enabled devices to control your security system and receive information remotely. Always be connected to your home or business wherever you go.
